Dear Benefactors / Well Wishers,

The most important thing in illness is never to lose heart.

- Nikolai Lenin.

With the escalating number of cancer patients among the poor and economically backward people of our society, we, the Sisters of the Cross perceive the need of Palliative care as our urgent concern. The treatment rendered to the patients will be through medical expertise and compassion.

Location

This Palliative Care Hospital will be located at Nirukh village which is in the Sawantwadi Taluka of Sindhudurg District, Maharashtra. It is two and half kms. away from Sawantwadi town. The place will be easily accessible to the patients and people of Maharashtra, Goa and other neighbouring States.

Aim of the Project

To establish a Palliative Care Hospital for terminally ill Cancer Patients.

Objectives

- To provide care and support to the patients.
- To create a conducive environment for them.
- To relieve them from physical pain and mental trauma.
- To offer counselling to patients and relatives.
- To adopt a holistic approach in Palliative Care.
- To uphold their right to life.
- To provide diversional therapy to soothe their minds and calm their anxieties.
- To prepare the patients to accept their last journey of life with serenity

Requirements

- Construction of the Palliative Care Hospital.
- 50 beds – wards & rooms for patients.
- 5 rooms for critically ill patients.
